COME SUPPORT THE FRIENDS!

THROUGH VOLUNTEERING, DONATIONS OR BOTH!

The 2016 version of Fall O' Rama is set for Saturday, September 17th at South Park. Vendor booths and attractions will open at 9:00 a.m. and close at 4:00 p.m. Waupaca's Fall O' Rama has turned into to the major annual fundraiser for the Friends of Waupaca Parks.

This year there will be a few additional attractions to the event as they aim to keep our families coming back. The Wisconsin famous mascot "Fang" from the Wisconsin Timber Rattlers will be joining us and signing autographs throughout the day. Faulks Brothers will be bringing in some of their large equipment which kids will be able to explore. Operators of the equipment will be on hand to answer any questions they may have.

Is anyone interested in storms? Fox 11 will plan to bring their storm chaser van fully equipped with storm chasing technology and open for tours. Let's hope for a nice day with no severe weather so they can stay with us throughout the event!

The Waupaca Area Fire Department has once again agreed to come with their firetruck to help raise awareness for fire safety. They have been a fan favorite and we are excited to see them on the 17th! Other daily events will include live music, full concessions, exercise class demonstrations and of course the great vendors that will be set up throughout the South Park circle.

The Friends of Waupaca Parks will be looking for volunteers to help with concessions throughout the day as well as clean up at the end of the event. If you or someone you know is interested, please contact the Recreation Center at 715-258-4435 or email parknrec@cityofwaupaca.org.

If you are unable to volunteer at the event and are interested in supporting the Friends of Waupaca Parks through a monetary donation, you can do so by sending a check to:

Friends of Waupaca Parks
407 School St.
Waupaca, WI 54981

All donations are tax deductible and greatly appreciated. We are grateful for the support we have received from our local business community who have sponsored Fall O' Rama both for this year and in years past. These sponsorships allow us to bring in different features to the event to make it worth coming out to the park year after year.

The Friends of Waupaca Parks also supports our River Ridge Trail System. If you are interested in making a donation to our trails please note your preference in the memo section of your check.

We look forward to a great event on September 17th and hope to see everyone at the South Park!

A Special Thanks from our Board Members:

President: Russ Montgomery
Vice President: Jody Pankratz

Secretary Jenny Ryan
Treasurer: Tamara Jacquet

RIVER RIDGE TRAIL

The River Ridge Trail is part of a plan to preserve urban natural areas or “green space” in a non-motorized trail system that winds throughout the Waupaca area. The first trail segment, a scenic loop of 1.6 miles, opened in fall of 1996. Since then, new off road trail segments have been added each year to total over 11 miles within the city limits. A street route of about 12 miles is also designated with River Ridge Trail signs to connect these off road sections. Bikes are allowed only on limestone or blacktopped surfaces.

The trail lies in the tension zone between Wisconsin’s northern and southern eco-regions, an area of unique biological diversity. By linking parks and other public and private lands, the community and its visitors will be able to enjoy the wealth of natural features for years to come.

The Waupaca Tree Advisory Committee has developed the trail with support from the City of Waupaca, Waupaca County, WCC, Rawhide, local businesses, organizations and numerous individuals. Support has come in many ways, from generous land easements, to donated labor, materials, equipment, expertise and funds.

Though great progress has been made River Ridge Trail is a work in progress and its future depends on the continued support of the community. For information on volunteer opportunities call (715) 258-4435. The River Ridge Trail map is also available online at: www.cityofwaupaca.org/parksnrec/river-ridge-trail
