

ADOPT A WATT

Support **Waupaca Radio FM 96.3.**

Waupaca Radio is a radio station operated by the City of Waupaca in conjunction with our cable access TV station, Win-TV Charter 991. Waupaca Radio will is a tool to enhance communication between the city and it's residents; as an avenue for non-profit & community organizations to have access to air time to promote their mission and events; to form special relationships with organizations such as our area schools to broadcast programming related to their activities and as a public safety communications tool.

Simply put, our mission for Win-TV and Waupaca Radio is: *"To connect the citizens of the Waupaca Area with the activities of their government and community."*

If you like the concept of what we doing consider the opprotunity to "adopt a watt" to help support Waupaca Radio's mission. Your donation is tax deductible while receiving recognition.

Each watt you adpot will provide your business/organization with 25 on air sponsorship announcements recognizing your business. Each watt is priced at \$96.30. You can sponsor just one watt or any selection of your choosing.
