

WAUPACA REGIONAL RECYCLING CENTER

Pay-By-The-Bag Garbage Program

(Available to all Waupaca County Residents)

What is Pay-By-The-Bag? Pay-By-The-Bag garbage programs enable you to pay only for the garbage you produce instead of paying a flat rate no matter how much you have. The beauty of this system is that the more you recycle, the less garbage you have, and the less you have to pay for that garbage. **Pay-By-The-Bag saves you money!**

Recycle More!

Pay Less!

How much can I save?

- The average cost for curbside pickup of garbage and recyclables in your area is \$90 per quarter, or \$30 per month.
- At the **Waupaca Regional Recycling Center**, you pay **only \$3.00** to dispose of a 35-gallon size **CLEAR bag** of garbage. Recycling is FREE!
- If you have four 35-gallon size bags of garbage each month, the cost would be \$12. This amounts to a **savings of \$18 per month or \$216 per year**. If you have **less than** four 35-gallon size bags of garbage each month, your **savings would be more!**
- **The More You Recycle! The More You Save!**

I want to recycle more and save money! Tell me how!

- **FIRST:** Separate all recyclables from your garbage. **See reverse side of this flyer for recycling guidelines.** There is no charge for recycling at the Center.
