The Applicant understands that seeding and reseedling of all areas is required to be maintained until sufficient grass growth has occurred. Any matting used shall be removed by the contractor once proper growth has been established. All utility locate flags shall be removed by the applicant once work has been completed. These requirements shall be done so as not to burden the property owner.

**Project Plan, Drawing, or Work Plan Included**

**Certificate of Insurance on file with the City of Waupaca**

(If no, submit current Certificate of Insurance with permit application listing City of Waupaca as additional insured.)

The Applicant understands and agrees that the permitted work shall comply with all permit provisions, indemnification and conditions of the City of Waupaca, and any special requirements agreed to as a condition of approval, and that construction cannot commence until the permit is approved by the City of Waupaca. Applicant is encouraged to review the City of Waupaca Municipal Ordinance section 8.05 prior to work start.

The Applicant understands that any work done by the City of Waupaca will be billed as time and materials.
