Application Checklist:

The purpose of the Application Checklist is to ensure a complete submittal has been prepared and to expedite the review process. The checklist is not inclusive of all requirements needed to obtain approval of a sign permit and does not absolve the Applicant from compliance with other applicable sections of the Zoning Ordinance. Please complete the checklist in full by using one of the following symbol codes.

- Shown on Site Plan
- Included with Application
- Appears Inapplicable

Code	Sign Permit Submittal Requirements
	Clear and legible color drawings with description and nominal dimensions of the proposed sign, the construction, size, dimensions and kind of materials to be used in such structure. The site plan shall show the buildings on the premises upon which the structure is to be erected and maintained together with locations, setbacks, size and types of existing signs on the premises where the proposed sign is to be located. All dimensions shall be indicated for the sign and the site plan elements.

	Calculations or evidence showing that the structure and design meets the requirements of these regulations for wind pressure load.
	Compliance with Chapter 17.509(4) of the zoning ordinance if the proposed sign(s) are to be lighted or illuminated.
	Landscape Plan, as required under Chapter 17.509(5) of the zoning ordinance for all ground signs
	Proof of insurance as required under Chapter 17.512 of the zoning ordinance.

Additional plans and data may be required by the Zoning Administrator to determine full compliance with sign requirements. Certain submission requirements may be waived when determined by the Zoning Administrator to be superfluous.

Submittal Format:

A digital copy of the Application and associated materials shall be submitted in PDF or compatible format unless otherwise requested by the Zoning Administrator.

Commencement of Installation:

No sign shall be installed prior to the issuance of a sign permit and building permit (if required).

Other Permits:

The information, data, and plans required in this Application, and the approval, conditional approval, or denial of said Application, are specific to the Zoning Ordinance. Additional approvals may be required under Chapter 14: Building Code.

Signature and Certification:

I certify the information presented on this Application and the drawings, plans, and other materials included therein are, to the best of my knowledge, complete and in accordance with the Zoning Ordinance.

Application Fee:

The Application shall not be accepted until the Application Fee has been paid.

Consultant Fees:

The City may retain the services of professional consultants (including planners, engineers, architects, attorneys, environmental specialists, recreation specialists, and other experts) to assist in the review of a proposed sign permit. The submittal of this Application shall be construed as an agreement to pay for such professional review services applicable to the proposal. The City may apply the charges for these services to the petitioner. The City may delay acceptance of this Application as complete, or may delay final approval, until the petitioner pays such fees. Review fees which are applied to a petitioner, but which are not paid, may be assigned by the City as a special assessment to the subject property. The Petitioner shall be required to provide the City with an executed copy of a professional services reimbursement form as a prerequisite to the processing of the development application.
