PARK AND RECREATION STATEMENT

April 17th, 2020

Yesterday the Governor created Emergency Order 28 which takes effect starting after April 24th and runs until May 26th. We have taken a look at the full order and below are some of the changes due to this update to Safer at Home. We continue to stay optimistic for the future and we will do our best to be there for the community when we get past this.

We normally would officially open the parks on May 1st. What this means is that the park bathrooms would be open and cleaned daily. Due to this extension the official opening of parks will be delayed until Safer at Home is lifted and we are given the green light to move forward. This means that bathrooms WILL NOT be open on May 1st so please plan accordingly. All park shelter reservations will be changed or refunded through May 26th as well. The parks and trails will remain available for recreation but we continue to ask that you follow all state and CDC guidelines while using our parks.

We are still working hard and planning ways to get in all programs, even if we can't start until June 1st. We have changed all registrations for spring and summer programs to a waitlist on Activenet. Reminder this means that it will show the programs are full but we request anyone interested in programs to continue to sign up on the waitlist. You will be able to put in all information to sign up but not have to pay at this time. Please look at www.waupacaactive.net for program information and registration. If you have any questions please call the office number at 715-258-4435. If we do have to cancel any programs anyone who signed up and paid will get a full refund.

There may be questions that we have not answered or things that we haven't thought about. Please reach out to us with any questions you may have. All of our office phone lines will go to our cell phones and we will receive any messages you leave. You may also reach out to us by email at any time.

Sincerely,
Andrew Whitman
Park and Rec Director
