## PARK AND RECREATION STATEMENT

April 28<sup>th</sup>, 2020

We want to keep you updated as we continue to assess what the 'Safer at Home' and the 'Badger Bounce Back Plan' means for our programs and offerings. We continue to stay optimistic for the future and will do our best to be there for the community when we get past this. Below are a few changes that we wanted to make you aware of.

As a reminder, the official opening of parks will be delayed until 'Safer at Home' is lifted and we are given the green light to move forward. This means that bathrooms WILL NOT be open on May 1<sup>st</sup> in our parks so please plan accordingly. The parks and trails will remain available for recreation but we continue to ask that you follow all state and CDC guidelines while using our parks.

We are making a few changes regarding our programs and registrations at this time. Our Children's Garden and Session 1 Swim Lessons are going to be cancelled. If you have signed up for one of these programs we will be refunding all money collected. We will also end registration for Boys Youth Baseball, Girls Youth Softball, Babe Ruth and Legion on MAY 22<sup>nd</sup> on Active Net. This will help us be better prepared to move forward with these programs if allowed. Please register on our waitlist for each program before that date. Reminder, the waitlist registration means it will show the programs are full but you can still register for the waitlist. Please go to [www.waupacaactive.net](http://www.waupacaactive.net) for program registration and information. If you have any questions please call the office number at 715-258-4435.

There may be questions that we have not answered or things that we have not thought about yet. Please reach out to us with any questions you may have. All of our office phone lines will go to our cell phones and we will receive any messages you leave. You may also reach out to us by email at any time.

Sincerely,  
Andrew Whitman  
Park and Rec Director
