

PARK AND RECREATION STATEMENT

May 21, 2020

Thank you for your continued patience as we move through all these changes. As a reminder, we will continue to follow the Waupaca County DHS Public Health Order and WEDC guidelines as we continue to make decisions. The City of Waupaca Parks and Recreation Department has made the following changes moving forward.

- All playground and park equipment is currently available for use. Use discretion when using park equipment as we are unable to keep this equipment sanitized. We strongly encourage you to continue following all COVID-19 safety and hygiene guidelines when using this equipment.
- City of Waupaca park bathrooms will be open starting Memorial Day weekend with different hours
 - Bathroom facilities will be opened by 9:00 am and closed at 8:00 pm daily.
 - Bathroom facilities will be cleaned twice daily. Once in the morning before opening and once in the afternoon.
- Please follow all COVID-19 safety and personal hygiene guidelines such as social distances, washing hands frequently, and staying home if sick.
- Discussions about possible programs with the current restrictions are ongoing. The same need to comply with the Waupaca County Public Health Order and WEDC guidelines also exists with programming at this time. We will continue to update everyone as soon as we know more.
- We are currently also discussing how reopening the Rec Center could look moving forward with current restrictions.

If you have any further questions, please reach out to us at the Rec Center by calling 715-258-4435. You may also reach out to any of us by sending an email.

Sincerely,

Andrew Whitman
Parks and Rec Director
