Thank you for your continued patience as we continue to work toward decisions on programs and facilities. As a reminder, we will continue to follow the Waupaca County DHS Public Health Order and WEDC guidelines as we continue to make decisions.

- We are currently finishing up a phased reopening plan for all city facilities and programs that will be presented to the Waupaca Common Council on Tuesday, June 2<sup>nd</sup>. If this plan is finalized and approved by council I will send out a statement on the following morning to update everyone on changes.
- City of Waupaca park bathrooms will continue to be open from 9:00 am to 8:00 pm daily and will be cleaned twice daily.
- As always, please follow all COVID-19 safety and personal hygiene guidelines such as social distances, washing hands frequently and staying home if sick.

If you have any further questions, please reach out to us at the Rec Center by calling 715-258-4435. You may also reach out to any of us by sending an email.
