## PARK AND RECREATION STATEMENT

May 12<sup>th</sup>, 2020

As the weather continues to get nicer we hope you are able to get out and enjoy our parks with your family. Please remember that 'Safer at Home' is still in place and we ask that everyone follow all state and CDC guidelines in our parks for social distancing and family units. If you do choose to enjoy our parks, also remember that our bathrooms are currently not open so please plan accordingly.

Due to the 'Safer at Home', we ask that people refrain from such things as basketball games, large gatherings at shelters or organized practices. Again, please follow all social distancing guidelines when using our parks. We unfortunately have been getting some complaints about activities like these and vandalism in the parks. Park and Rec staff does not have authority to address these issues so if you see someone vandalizing a park or other issues please call the Waupaca Sheriff Communication Center at 715-258-4466. We are glad that people are enjoying our parks we just ask that you do it safely and respectfully.

**Also a reminder we will be ending registration for Boys Youth Baseball, Girls Youth Softball and Babe Ruth on MAY 22<sup>nd</sup> on Active Net.** This will help us be better prepared to move forward with these programs if we get into the phases of the 'Badger Bounce Back Plan'. Please register on our waitlist for each program before that date. Reminder, the waitlist registration means it will show the programs are full but you can still register for the waitlist. Please go to [www.waupacaactive.net](http://www.waupacaactive.net) for program registration and information. If a program is unable to run, you will receive a full refund. If you have any questions please call the office number at 715-258-4435.

There may be questions that we have not answered or things that we have not thought about yet. Please reach out to us with any questions you may have. All of our office phone lines will go to our cell phones and we will receive any messages you leave. You may also reach out to us by email at any time.

Sincerely,

Andrew Whitman  
Park and Rec Director
