PARK AND RECREATION STATEMENT

June 4th, 2020

Thank you for your continued patience as we continue to work toward decisions on programs and facilities.

- With the support of the City of Waupaca Parks and Rec department the Waupaca Area Youth Soccer, Boy's Youth Baseball and Girl's Youth Softball boards have all unanimously voted not to hold Rec seasons in 2020. This was a decision that was not taken lightly and a lot of information went into it. Though it is a difficult decision we feel it is in the best interest of the community at this time. We are continuing to look at different programs we can offer in July while still keeping the participants safe and following all guidelines placed upon us.
- We will work over the next week to get out refunds for those who have paid for these programs. Please allow some time for the refunds to come through if you paid by credit card. If you paid by check we will be sending a check back to you. If you do not receive your refund after a few weeks, please reach out to us so we can address it.

If you have any further questions about these decisions, please reach out to us at the Rec Center by calling 715-258-4435 or by email.

Sincerely,

Andrew Whitman
Park and Rec Director
