Dear Tena Dennis:

Your employees were recently sent a letter welcoming them to CVS Prescription Benefits effective 7/1/2016. The actual start date is 1/1/2017. We apologize for the miscommunication and any inconvenience this may have caused. Correction letters are being sent this week.

WCA Group Health Trust is transitioning to a new pharmacy benefits manager to improve our programs for our members. After careful review and analysis of our prescription drug options, WCA Group Health Trust has found that our program will gain value by moving to CVS Caremark. We are excited about this new strategic partnership.

If you have any questions about this change please do not hesitate to contact me

Sincerely,
