

City of Waupaca Comprehensive Plan + Zoning Code Update Organizational Chart

City of Waupaca Comprehensive Plan + Zoning Code Update Responsibilities

- **Community and business members**
 - Provide input and perspective on issues & opportunities, alternatives, and draft final plan at organized public input meetings, focus groups, as well as by social media, letter, personal contact, etc. facilitated by the city/consultant.
- **City Council**
 - Provide direction to Plan Commission, early in the process as well as during review of draft plan; near the end of the planning process, they also hold a formal public hearing to consider adoption of the plan.
- **Planning Commission**
 - Guides preparation of the overall Comprehensive Plan and recommends plan to City Council.
- **City Staff & Consultant Team**
 - Provide technical and administrative assistance, facilitates communications to the public, organizes civic and stakeholder engagement processes, and prepares draft and final plan and zoning code updates.
