RE: Council Appointment of Election Inspectors for 2020 and 2021

Under Wisconsin Statute 7.30, the two dominant parties have until November 30, 2019 (postmarked) to provide municipal clerks with a listing of Election Officials to be appointed for the 2020-2021 Election cycle, and then the Clerk has until December 31, 2019 to receive Council approval of the Election Officials. As of today's incoming mail, I have not received a listing of Election Officials from either party, and am submitting a list of my currently trained "unaffiliated" Election Inspectors for your consideration and approval. Since the December 17, 2019 Council meeting is cancelled, I am adding this as an addendum to the December 3, 2019 agenda.

I am asking that you appoint all of the listed Election Inspectors for the upcoming 2020-2021 Election cycle. Thank you.

Sandy M. Stiebs
City Clerk, CMC/WCMC
