#	IF YOU FEEL THE CITY IS NOT HEADED IN THE RIGHT DIRECTION PLEASE EXPLAIN WHY	DATE
1	City is headed in the wrong direction. City's isn't headed in any direction. "Business as usual" "Status Quo" "Same old same old"	2/5/2020 10:07 AM
2	We are losing retail stores to shop locally	2/5/2020 10:01 AM
3	I am a new resident as of the past few years. Originally, I did NOT feel welcome at all here in the city of Waupaca. The residents can be cliquey and give the impression that outsiders have to acclimate to their culture, which is not expansive or inclusive. People are not mean, they just don't go out of their way to make sure that outsiders feel welcome. The friendliest people I have met, are others who are NOT from here originally.	1/31/2020 3:44 PM
4	The city of Waupaca has made it virtually impossible for a small business to succeed in they find any way possible to make it difficult down to changing things to suite they're wants instead of the needs for a business to succeed in this town. When we are already pulling are talent from the valley because there isn't jobs here to support a young family also make it difficult for the business to stay in Waupaca and not relocate to a municipality that not has desire to work with the business but also offers more work opportunity along with a abundance of young talent.	1/31/2020 1:55 PM
5	Rec sports is not inclusive based on the pricing structure.	1/30/2020 10:16 PM
6	In my opinion and from what I hear from other business owners and citizens is that Waupaca is not open for business. It seems that the City puts up a lot of hurdles for a business to operate in Waupaca and some business have gone elsewhere. I want to see this City grow and we have to be willing to market the City and sell it as a great place to be. I am not saying to give everything but the kitchen sink but the City needs to be flexible and willing to negotiate.	1/30/2020 8:14 AM
7	I have not always felt welcome in this community. For many years the City of Waupaca was run like a good old boys club that alienated constructive visionary involvement of constituents in favor of insiders.	1/30/2020 4:07 AM
8	losing a lot of businesses, may not always be the fault of the city.	1/30/2020 2:30 AM
9	Concerned about the schools. We have raised our children here and as our youngest is now in high school we feel the administration at the schools has turned over too many times and the high school is very chaotic. Students feel like they are in prison	1/29/2020 9:02 PM
10	I feel like it's run too much like a business, and not enough like a place where we would want to live.	1/29/2020 9:00 PM
11	Lack of decent paying employment- we don't need any more fast food/retail minimum wage places, or restaurants paying tipped workers \$3/hr Feels like we're trying to cater more towards tourists than our own residents Generally, just focusing on the details instead of the big picture- I feel like this town is shriveling up and dying	1/29/2020 7:50 PM
12	Not informed of the direction the city is going	1/29/2020 6:47 AM
13	Businesses are leaving. Restaurants are closing. We do not need any more stores with the word "Dollar" in their names. A committee needs to be appointment to woo popular retail and restaurants and retail to the area. If achieved, our smaller businesses and new better known businesses would have alot to offer our citizens and potential visitors.	1/28/2020 2:51 PM
14	I think the ideals have been there over the years. The follow through was lacking. Attracting people to stay and live in our community is very important. Preserving our past with an eye to the future.	1/27/2020 12:49 PM
15	The amount of useless money wasting is a problem. The parking lot by the bank is laughable at best. Now all these beautifying tactics are an absolute waste of money. How about repairing the current buildings and apartments that are nothing short of an eye sore. Fix the infrastructure and focus on that. You can't even fill empty store fronts.	1/27/2020 12:33 PM
16	I don't necessarily feel Waupaca isn't headed in the right direction, I'm just having a hard time coming up with indicators that we ARE headed in the right direction. My feelings are mixed. Positives: Main Street renovations, and increased visibility of the arts community and related activities. Negatives: increase in empty commercial space, combined with very limited retail options for day-to-day needs; relatively high taxes	1/27/2020 11:05 AM
17	Need to get a handle on this new development stuff on downtown and worrie more about how	1/27/2020 10:29 AM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

to get kid friendly stuff moveing and less drug use

18	I am afraid to go for walks in this town after multiple incidents(followed from down town to Walgreens,random cars pulling up to me or following slowly behind me) shortly after moving here. All incidents happened in the middle of the day on busy streets.	1/26/2020 9:51 PM
19	I feel that the closing of Shopko, Kmart, and now Pizza Hut means that we are losing retail outlets. Eventually, the population will decline due to scarcity of retail outlets. I think that there should be more places for teens to hang out, also.	1/26/2020 2:17 PM
20	Reputation is reality. The growing drug problem is a liability for economic development.	1/25/2020 9:22 PM
21	As a business owner the city has made it apparent on numerous occasions to myself and my husband by their interactions with us that they don't want us here. They have made us feel unwanted and unwelcome. Sad really we have been residents in waupaca for 14 years. My husband was raised in a neighboring town and then moved to Madison we then moved back to waupaca to raise our daughter. We started our business in New London and then moved it to Waupaca to be closer to our home. We never had any issues dealing with the city of New London. Unfortunately that hasn't been the case in Waupaca. I don't think that Waupaca is headed in the right direction and it doesn't seem to be on the agenda to change any time soon. The city needs to remember that they work for the residents who live here all year long and the small businesses who help keep it running. We pay the city salaries and not the tourists.	1/25/2020 6:50 PM
22	They are making rules that restrict our freedoms and not worrying about things that are important.	1/25/2020 2:25 PM
23	Escalation of drug use and petty crimes	1/25/2020 11:40 AM
24	I feel you need more services for the elderly. such as retail shops and more restaurants not fast food,so that we dont have to go to the Point or Appleton.	1/25/2020 9:04 AM
25	I understand ,in the past couple of years, several new businesses have been shut out of locating here by "city government" and have been welcomed to nearby towns/cities.	1/25/2020 8:32 AM
26	Waupaca makes it difficult for people to start a business. I look at issues with Rubys pantry. The New Mexican place that was given someone else's liquor license and found out they screwed up. What about the bus garage being purchased there's some issues there too, the city is charging them but was washed under the table for bus garage. Seems like lot of zoning issues. It depends who you are in this town. This is only a few issues I have heard . Shopping buy local, well this is a joke where can you buy clothes? The boutiques are expensive and do not have men's clothing. I feel this town has declined drastically in the past 5 years.	1/25/2020 7:35 AM
27	I don't believe the city is headed in the right direction no department store wants to come in because the city of Waupaca will not let them come in Walmart wanted to come in 10 years ago but the city turn them down and say they're going to take away from their businesses downtown no they're not you need to do your research and you have not done any research on this Waupaca is soon going to become a town like iola wildrose wautoma where you drive through it you have to go to the bigger town like Appleton to Stevens point to do all your shopping so your businesses are losing out because when you go to the bigger Town once you get your gas to get your food you go out to eat you do all your shopping in the bigger towns Waupaca needs to step it up	1/25/2020 6:34 AM
28	Not enough new growth	1/24/2020 8:43 PM
29	None of the above.	1/24/2020 6:02 PM
30	There has been too much focus on non-critical programs and too much regulation. It is time to get back to the basics of what city government is about about start to rebuild infrastructure.	1/24/2020 2:24 PM
31	The city has spent to much time and money on planners and "pretty" and not enough on logic, function and need. If you want residents to spend money in town we need big box stores that provide staples for living. We service and area of 30,000 people, without a single place to buy everyday needs/ with options. No wonder shoppers have chosen to shop "out of town" ever since you chased away Walmart. Also, our growing population is retired and appears to be that way. More and more choose going south for better winter weather. We could use at least 3 more quality condo complexes for people who wish to remain home owners while foregoing the hassle of property maintenance.	1/24/2020 10:02 AM
32	The main concern I have about Waupaca, and it is a concern for most cities, is the use of drugs	1/24/2020 9:46 AM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

and drug related crime. I am glad that our city started a drug court, and would like to see continued emphasis on overcoming this issue.

33	I'm not the most educated when it comes to the recent ongoings of the City of Waupaca's operations, however it bothers me that in recent years the city council authorized over \$1 million to build a parking lot where a parking lot already existed. Meanwhile Main Str. & High Str. infrastructure is in desperate need of water/sewer utility updating, the traffic lights on W. Fulton Str. need replacing and now I understand the Street Dept. wants to build a salt barn in the city limits. For what purpose? Convenience for City employees? Isn't that really why the City built the afore mentioned parking lot! How will the construction of a Salt Barn truly benefit the residents of Waupaca? IMO those dollars would could be much more wisely appropriated.	1/24/2020 9:23 AM
34	None of the above.	1/24/2020 7:30 AM
35	We need more big box retailers and chain restaurants!	1/24/2020 5:07 AM
36	I am not sure why everything happening in Waupaca is centered around the Waupaca Community Art Board. Maybe now that Henry is gone, they will not have as much pull as they did when he was there. I don't think the city listens to the community. They do what they want to regardless.	1/23/2020 11:18 PM
37	Too many major businesses are closing/leaving.	1/23/2020 9:18 PM
38	The new parking by the library is awful and now it makes me less likely to visit that area because it is not driver friendly nor pedestrian safe.	1/23/2020 9:10 PM
39	Taxes, Drugs, too many ordinances restricting what homeowners can do. Lack of new development, Kmart and Shopko and other businesses sit empty. City Government run amuck and wasting our tax dollars to benefit a few. None of this is new and it shouldn't take a survey to know what the problems are. This survey sounds more like somebody's pet project to find a problem for a solution. How about finding solutions to our existing problems?	1/23/2020 8:49 PM
40	Drug epidemic not being addressed.	1/23/2020 8:38 PM
41	I would like to see more focus on healthy living and city planning to support that like bike lanes and more bike routes.	1/23/2020 8:18 PM
42	Town needs work. Bring in Walmart or Target already.	1/23/2020 6:51 PM
43	They need to add businesses to support community needs. We also have no place to shop. To buy anything we have to travel 30 minutes away. We could also use a ymca for the kids in this community.	1/23/2020 6:38 PM
44	There needs to be more shopping (meijer, target) to attract residents. Not everyone has time or transportation to go out of town. Supporting small business is great, but is not always practical.	1/23/2020 5:42 PM
45	The city streets are amazing horrible. The library parking lot is atrocious and is going to end up causing a LOT of accidents. Please fix them.	1/23/2020 4:53 PM
46	Rise of drugs, everyone looks at it as the capital for heroin and meth addicts	1/23/2020 4:45 PM
47	The lack of retail establishments, especially with the recent closures of kmart and shopko, is very inconvenient for residents.	1/23/2020 3:11 PM
48	With two major stores leaving, we have to travel 30 mins or more for decent shopping options.	1/23/2020 1:48 PM
49	Stores are leaving in droves. People are leaving in droves. Nothing is here to bring people in!	1/23/2020 1:38 PM
50	Waupaca needs to bring more commerce in besides main st which is only businesses or a tourist trap. We need more jobs! More jobs would help combat our rampart drug problem. There also needs to be more community events to encourage a fun and welcoming family environment	1/23/2020 1:28 PM
51	If we could lower the fee for the rec sports for the town of Lind it would help drastically. There are SERVERAL families in the town of Lind that can not afford \$250 a crack per child. It's absolutely ridiculous. I can see paying a YEARLY fee of \$150 for a family of multiple children for \$100 for one child. This is absolutely ridiculous you would charge \$250 for one child per sport. How is a family of 5 able to afford that? If you have 10 children that sign up to play rec sports you are making \$2500!!! That is non sense. It's so unfortunate for these families because we cannot afford to pay those fees and now those children are the ones who suffer. You want	1/23/2020 1:12 PM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

them to be better students and children in this community; DO SOMETHING ABOUT IT. On my block alone there are 9 children who are unable to participate in these sports or activities because of your outrageous cost.

52	I would like to see more emphasis on provided appropriate human resources along with infrastructure. Human services does not seem to be able to adequately address needs as it is run currently.	1/23/2020 12:43 PM
53	Waupaca is losing big businesses have to drive to point or Appleton for shopping. Also the roads are in rough shape and the city sucks at snow removal	1/23/2020 12:15 PM
54	Property taxes are not fair and balanced between districts/location in city, zoning and ordinances are too restrictive to encourage home improvement and new businesses. In regards to the railroad the city should be working towards being designated a quiet zone, you can't go anywhere in this town without hearing them blowing their horn anytime of day or night.	1/23/2020 11:48 AM
55	As a concerned citizen who has never been apart of the judicial system it is quite concerning with the amount of drugs that are in this city. We continuously hand out signature bonds, we aren't winning the war on drugs. We try but it's not working. Walking downtown on a Saturday night with the family and it's right in front of all our faces. Why do we tax payers, community contributors have to do with it? We have so many positives in this community yet this is crumbling us.	1/23/2020 11:47 AM
56	Still too much 'good ol boy' network in place and not enough openness to new ideas and people. One example- the being against using goats for natural weed control at the Oz area- that's stupid and clearly personal. It makes the city look bad when other cities are using grazing.	1/23/2020 11:38 AM
57	I do not see enough being done to encourage younger people to want to live in our city. Many of the younger people who did live in our city do so because they feel stuck and didn't have opportunities to move away.	1/23/2020 11:01 AM
58	Even if streets are in horrible condition (w.Fulton and Main st mainly) I feel the city is heading in the right direction just think that move is a little slow...	1/23/2020 10:58 AM
59	City isn't drawing in young adults to stay here.	1/23/2020 10:50 AM
60	there are no department stores anymore. the city is going downhill trying to keep its "quaint small town feel" a lot of people are resorting to going to neighboring towns to get necessities at walmart and since they are there anyways getting groceries further hurting the cities economy	1/21/2020 3:32 PM
61	We are continually losing anchor businesses in the community. While we LOVE our downtown and King shops, we are severely lacking in the day to day needs of this community and in turn, many citizens are forced to leave town to shop elsewhere. We are losing dollars for the area. 4 businesses have left	1/21/2020 1:58 PM
62	Business is lacking in the City of Waupaca. There are many shopping needs not met in Waupaca after many business closings - leading to many conversations among my group of friends about the need to possibly relocate in another city for access to what we need.	1/21/2020 9:32 AM
63	We have excellent food options with Aldis, Pick N Save, and Piggly Wiggly. However, with the lost of Shopko and Kmart there is no place to get many basics at a family-friendly price. Dollar General is probably the best option but they have limited choices.	1/18/2020 11:24 AM
64	I'd like to see Waupaca focusing less on retirement communities and more on attracting young adults and families.	1/17/2020 3:50 PM
65	Waupaca seems like it is moving backwards. No large stores, not many restaurants, downtown is not open/lively after work hours, lack of progressive looks, such as architecture, no park benches, very little art around the City, no signage to downtown or parks. No entertainment value to draw people into the City of Waupaca. All these things may cost money but if you want to draw more people in you need to be progressive.	1/17/2020 2:06 PM
66	We need places to shop that are competitive and carry something of everything, like a Walmart or target. More restaurants are also needed.	1/17/2020 9:43 AM
67	We have lost some larger businesses. The Foundry isn't doing well.	1/17/2020 8:30 AM
68	They are way to strict on policy and not working hard enough for businesses	1/16/2020 5:06 PM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

69	Like many small towns I visit. Main street needs to be recovered asap. Its really staring to look run down.	1/16/2020 12:04 PM
70	I think the purchasing cost on the old football field, catholic church and Midtown motors building were purchase at to high of a price.	1/16/2020 8:16 AM
71	I feel the city is too focused on amenities and not economic growth and population growth.	1/16/2020 7:39 AM
72	We've lost the department stores so there is no place to get household essentials or basic clothing items. As well as the fitness centers available are very expensive and unaffordable.	1/16/2020 4:42 AM
73	I feel Waupaca is heading in the right direction but has some important things to work on. Keeping repeat offenders off the streets is a must. There is only so much the polive can do, the justice system needs to have stricter punishments for repeat offenders (drugs/dealers/owis/dwis) Secondly we need to try to get more homeowners then rental properties. There are more renters then owners, this means no one is being accountable for the properties(most landlords aren't even Waupaca residents) making property values decrease and fly by night renters trashing properties, surrounding properties, and leaving. (Also increasing criminal activity)	1/15/2020 10:27 PM
74	Employment options are poor there is not much here. Availability of stores is lacking. Granted there are your mom and pop shops but shopping for your daily items can be quite costly with current options.	1/15/2020 9:22 PM
75	I feel Waupaca does not emphasis drug control enough. Seems the police are understaffed or under-led.	1/15/2020 8:47 PM
76	The culture is such that it is not accepting of people of differing ethnicities or racial background.	1/15/2020 8:39 PM
77	We are NOT heading the right direction, store our leaving the area. I was ask what is there to do in our community by someone who just moved. I said the movies or bowling. You can shop, because we have no stores	1/15/2020 8:21 PM
78	Doesn't give a welcoming feeling to surrounding communities by fees to residents who live just outside city limits for youth sports and refusal to coop in youth sports. Focus on our kids, not money!	1/15/2020 7:29 PM
79	Too many stores closing(shopko, kmart), too high of mill rate(one of the highest in the entire state comparable to Madison),no garbage pickup on taxes, most of downtown closes before 6pm, restaurants are permanently closing, Stoplights on Fulton are ridiculous, example is not flashing at 6am. Lack of retail in general. Two Dollar Generals where is the variety.	1/15/2020 7:07 PM
80	I feel that the city does not listen to the majority of the people who are in the community in terms of what they want for safety, environment, and attraction for visitors. Is seems like the "workgroups or stakeholder" to not fully represent those residing.	1/15/2020 5:32 PM
81	Limited opportunity for young people, and the infrastructure is in need of repair.	1/15/2020 5:13 PM
82	Wauapca offers very little for the 30-something year old.	1/15/2020 2:44 PM
83	We do need to fill the Kmart and Shopko buildings.....with more retail options OR play space for kids (adventure park, YMCA, waterpark/splash pad, etc)	1/15/2020 2:23 PM
84	I don't feel like I have enough information to know if we are headed in the right direction. I am not as involved as I should be. Lots of stores are closing which I don't like, however I feel like my children have wonderful opportunities. I worry about my children's safety as I know this area is one of the larger in the state for drugs and I would like that changed. Our judicial system is broken for how long and how manual and inefficient processes are, but I'm not sure that's anything the city is responsible for fixing.	1/15/2020 11:33 AM
85	Concerned about not having a main department store. It has been quite a change as far as shopping for my family with Shopko & Kmart being gone. I didn't care a ton for either store, however when I was in need of something, I could run down to one of them. Now.....it's MUCH harder to find things.	1/15/2020 10:45 AM
86	Waupaca needs improve internet speeds and cell phone reception quality. Waupaca needs to improve offerings to younger families in some way. Like a YMCA or Pool. Expand Fox Valley Tech Campus. Bring in Solar Power or Wind Power industry.	1/15/2020 8:38 AM
87	Lack of diversity, no retail, no activities, unwillingness to expand, cater to tourists not the	1/15/2020 6:15 AM

88	Would love to see a community pool.	1/15/2020 5:55 AM
89	Need to keep the younger generation here in town.	1/14/2020 9:36 PM
90	There is a lot of poverty and drug use in this area. It seems to be because there isn't much to do in the area while as in point there are many activities going on throughout the day and night to keep people entertained.	1/14/2020 6:26 PM
91	City property taxes are too high.	1/14/2020 6:00 PM
92	This town is not as open and friendly as it is portrayed. It's the haves and have nots.	1/14/2020 5:48 PM
93	I appreciate the rec center, but wish there was more for kids to do here.	1/14/2020 5:39 PM
94	Waupaca continues to lose businesses. There isn't even a place to buy underwear and socks around here, I guess except for fleet farm	1/14/2020 5:13 PM
95	Need a Target or Walmart, please provide the tax incentives and get it done!	1/14/2020 5:11 PM
96	Waupaca needs to bring business back to town. Losing so much retail in a short period of time and seeing buildings like the kraft plant sit empty for years is disheartening	1/14/2020 5:11 PM
97	I believe that Waupaca has followed the lead from other communities in this nation when it comes to keeping up the Jones's. This has allowed our community to lose core community lubricants for growth, sustainability, innovation and local free trade among residents.	1/14/2020 4:14 PM
98	It is frustrating as a business owner to go to meetings and have them say they go against survey but they have spoken with the businesses.....and no one asked us. Maybe only ask a few favorites. Seems they do whatever they want and do not listen to the population or ALL of the business owners.	1/14/2020 3:49 PM
99	We need to do more and have more resources in waupaca for opiate abuse recovery and mental health resources. We need to focus more on trauma in kids and prevention. We need to look outside the box because what we have and what we have been doing isn't working We need more department stores. There is no place here to go for necessities now	1/14/2020 3:41 PM
100	Not sure why we need a mayor and city administrator. Perhaps that could be explained to the taxpayers.	1/14/2020 3:26 PM
101	The city appears to be stagnant. It seems so much effort goes into trying to protect existing business, that new business are losing the opportunity to establish here.	1/14/2020 10:40 AM
102	There is no where to shop now that Shopko and Kmart are gone. It's disappointing to have to go to Appleton, Stevens Point, or shop online for things needed. We need a Walmart, Target, something!!! With no conveniences like that, it's hard to see anyone wanting to move here with families. The inspector in town also makes it very difficult to complete projects/new builds/remodels. It's very discouraging to work with her and makes you want to look elsewhere to open your business.	1/14/2020 10:03 AM
103	Waupaca IS a great city to raise children and retire. I believe it is heading in the right direction. Waupaca could improve in the area of "welcoming". Even though I own a business in Waupaca, the attitude toward "Illinois residents" is not always welcoming. For some reason, some, not all, seem to resent tourists and visitors.	1/14/2020 9:40 AM
104	Continued drug problems Boys clubs running the city and community Kids running the streets with only slaps on the wrist for illegal and stupid activity	1/14/2020 9:21 AM
105	With the departure of two major brick and mortar stores, the time is NOW to boost the downtown Main Street for accessibility and work on promotion of locally owned businesses that take the place of what Kmart and Shopko removed.	1/14/2020 12:08 AM
106	-More economic development needed -More support/follow through on Main St project	1/13/2020 7:57 PM
107	I believe the economy and job creation in Waupaca is challenged and puts the future of the city at risk.	1/13/2020 4:29 PM

2	My neighbors are good, however EVERYONE stays in their homes after dark because THERE ARE NO STREET LIGHTS IN THIS TOWN. This is ridiculous and it appears that the mayor thinks this is a big joke. Many people have complained about the dark streets, which gives the impression that Waupaca does not care if you are safe or if you get to know your neighbors.	1/31/2020 3:44 PM

8	All city streets at night...they are too dark. Saving \$ by not having street lights on seems kind of backwards. How about replacing them in stages, get some solar lights. Dark sidewalks and streets do not feel safe.	1/29/2020 11:31 PM

10	I live downtown. Main issues: having to pay for inconvenient parking (when no parking is provided on site for apts), drunk people at night, people drive like assholes	1/29/2020 7:50 PM
11	Elm street needs improvement- more police presence and ticket for speeding. Timber drive should not allow parking on both sides- spoke to Mr Berrens with my concerns and he disagreed with me. Consider right turn lane from school street into state street.	1/29/2020 6:47 AM
12	I think seeing our police patrolling with cars or bikes is always good. I think there presence on occasion is good and a wave from them and vice versa is important. We all want to remain....."Waupaca" friendly.	1/27/2020 12:49 PM

27	I generally feel safe in my neighborhood, but there has been criminal activity that I am uncomfortable with. My address is on 8th street near the hospital.	1/24/2020 9:46 AM
28	We need sidewalks on Elm Street. Many people walk this road to get downtown.	1/24/2020 8:32 AM
29	N/A	1/24/2020 1:37 AM
30	No sidewalks, people drive to fast, our children are not safe due to people driving 2x and 3x the speed limit. Woodland Estates.	1/23/2020 8:49 PM
31	No regulations in our neighborhood	1/23/2020 8:18 PM
32	People speed a lot in our Cleghorn neighborhood, especially in summer when second-home people return.	1/23/2020 8:18 PM
33	We need more street lights and bike lanes	1/23/2020 8:12 PM
34	We live out of town but I do feel that different areas with in town could be safer.	1/23/2020 6:38 PM
35	1900 Shadow Rd. Need to enforce property appearance law. Property values suffer from a few bad actor's.	1/23/2020 6:24 PM
36	People speeding down River St is a concern. Would also nice to have a city trash pick-up so there weren't so many disposal trucks from different companies driving so many different days. One pick-up service would help roads last longer due to decreased heavy traffic. Get a bid, pick a company, throw the cost onto the water bill.	1/23/2020 5:42 PM
37	School street. Traffic is WAY TOO FAST for residential streets	1/23/2020 4:53 PM
38	By the chain o lakes elementary school there is a big white apartment building that constantly has loud music at night and men screaming at women that you can hear down the street	1/23/2020 4:45 PM
39	Wisconsin Street/ North Street - some not so nice houses/rentals	1/23/2020 3:44 PM
40	we're in a more rural area just outside of town	1/23/2020 3:32 PM
41	The town needs more street lights.	1/23/2020 2:21 PM
42	We had a street light disconnected on North St, near the Bailey St. corner. And since then have had our vehicle broken into twice. Our street is gets decent traffic volume and is too dark now.	1/23/2020 1:48 PM
43	North Street: live near the apartment building which is frequented by police, so I don't not feel safe to let my child play outside.	1/23/2020 1:38 PM
44	We do not have sidewalks or adequate street lighting to make our area walkable. We are located on Wisconsin Street.	1/23/2020 1:29 PM
45	West Union Street. A lot of traffic unfortunately. Many speeding cars. Cars driving past my son's bus when their lights are flashing to drop my son off. This is a huge dog walking route and many dog walkers dont pick up their dog poop. It gets so bad I've stopped walking my dog on my own street because he's gotten sick from other dogs poop. Yuk! Waupaca needs to make picking up after your dog more of a priority. I've heard even on main street people aren't responsible pet owners.	1/23/2020 1:28 PM
46	Department store besides fleet farm, like a Walmart supercenter, Target supercenter, or Kohl's.. the only indoor swimming in Waupaca is at the two hotels, have to drive to New London or iola pool, for a indoor swimming pool.. there is already enough walking, hiking, biking, trails,	1/23/2020 1:09 PM
47	I'm worried they will take down the trees from along the road.I'd rather see it designated a rustic road. It's Pryse Drive.	1/23/2020 12:56 PM
48	I really wish we could get our roads salted in the winter.	1/23/2020 12:35 PM
49	Town of Dayton does a poor job plowing secondary roads	1/23/2020 12:33 PM
50	I live on king road. Speed limit is 35, but everyone speeds! Let alone there is NO place to walk or bike on this road other than the actual road! I will NOT let my kids walk or bike on this road because of speeding traffic and the amount of traffic but yet no sidewalks.	1/23/2020 12:31 PM
51	Physically safe, influence safe amongst teens not at all.	1/23/2020 11:47 AM

53	Although making Waupaca more attractive visibly, that is more appealing to tourists while those of us who live here are more concerned with improvements that "pay us back". I think its fair to say with the amount of debt we have taken on... this would and should be priority.	1/23/2020 11:04 AM
54	I am new to living in my neighborhood and I have no true concerns about the 3rd ward.	1/23/2020 11:01 AM
55	I love on W. Fulton St and the street is bad shape.. also there needs to be better enforcement of the speed limit on this street... I've seen cars going 45-50 mph down this street	1/23/2020 10:58 AM
56	We tend to avoid Waupaca after dark. Too many druggies, arrests, etc.	1/23/2020 10:52 AM
57	While the neighborhood is walkable there are intersections that are unsafe because drivers are not looking out for pedestrians. More four way stops on major intersections. ie Lake & Main, Berlin & Lake (3 way), where Main Street meets South Park	1/22/2020 9:18 AM
58	I think the redesign of Main Street will lead to great things in the city, making it more appealing to full time and seasonal residents encouraging them to patronize the area. Visually improving the area will bring more businesses, people and revenue for the city.	1/21/2020 7:48 PM
59	We're not happy with the removal of our street light.	1/21/2020 3:55 PM
60	People drive way too fast down Holmnlane Rd. Spencer Lake camp has cottages that may be being broken into.	1/16/2020 5:53 PM
61	live on a dead end road in the Town of Waupaca	1/16/2020 11:45 AM
62	Dugs are all over the city not just neighbor hood. Lots of rift raft all over.	1/16/2020 10:16 AM
63	I do not live in Waupaca, however I feel safe walking in most areas of the city. If there was a way to discourage the pedestrians, to pay attention off their phones when crossing streets, that would be very nice. although they have the right away, courtesy and awareness are important.	1/16/2020 9:23 AM
64	We live in Town of Farmington, so the above questions may not apply to actual City of Waupaca.	1/16/2020 8:13 AM
65	Very friendly neighborhood. Woodland Park estates	1/16/2020 7:40 AM
66	Realizing that my neighborhood is it industrial neighborhood with low income housing around it not the opposite	1/16/2020 7:39 AM
67	A group of concerned citizens have been trying to make the town of Dayton a safer place to walk and ride bicycles for years with zero support from elected officials. This is extremely disappointing and does not instill confidence that my elected officials have the best intentions for their constituents.	1/15/2020 8:39 PM
68	Lots of rental properties neighbors keep to themselves	1/15/2020 8:21 PM
69	Too many people on phones texting to feel safe walking or biking in country. People blow right through intersections in town of Lind by town hall day after day.	1/15/2020 7:54 PM
70	a walking trail and/or bike trail on king road would be much safer than the people who walk and ride on the side. there's already been one person hit by a car. another kid waiting for the bus on the corner of richard and king road almost got hit. people drive too fast and in the morning, the sun is in the eyes of drivers and hard to see people walking sometimes.	1/15/2020 6:55 PM
71	I fear the elimination of traffic lights downtown for the safety of the pedestrians. Also as a driver that is parking at the post office and trying to back out	1/15/2020 5:32 PM
72	High St needs repair. Stop putting trees in Shadow Lake. West Fulton needs repair.	1/15/2020 5:13 PM
73	I feel like my neighborhood is safe yet I have a fear of my children going for bike rides and walking without supervision. At some point I feel like I have to not live in fear but its difficult to trust as I feel like we are being trained to not trust. Maybe this is a me issue and nothing more.	1/15/2020 11:33 AM
74	I have concerns about High Street and Lakeside parkway by Shadow Lake. The bike/walking trail the curves around the stone wall beneath the cemetary is very dangerous. Bikes/walkers can easily collide if coming around the wall in different directions. I was pulling my children in a bike cart around the wall and a driver came onto the trail with their vehicle and nearly hit our bike cart. I also feel the portion of road on High street in the woods near the apartment complex could use a sidewalk. There are many walkers and it is especially dangerous when people walk that stretch in the dark.	1/15/2020 10:10 AM

75	We live in the country and there are no walkable shoulders.	1/15/2020 5:55 AM
76	Convicted sex offenders sometimes live nearby and that is worrisome for me as my child walks to public school.	1/14/2020 11:04 PM
77	The trees on the boulevards of Berlin St need to be trimmed to walk under.	1/14/2020 9:20 PM
78	The widening and redoing of Evans Street has been a HUGE improvement. I run on it daily and it feels much safer.	1/14/2020 8:55 PM
79	My neighborhood is going to turn onto a dead end street. We live beside the Danes home on North Main Street.	1/14/2020 6:26 PM
80	King road is very dangerous for pedestrians.	1/14/2020 5:56 PM
81	Not enough lighting to see crime. Too many run down homes.	1/14/2020 5:48 PM
82	Waupaca needs more bike paths! It is tough if anyone especially kids to bike around town main roads like 49 and Fulton are busy and not bike friendly	1/14/2020 5:11 PM
83	We need more street lights for night walking and more bike lanes.	1/14/2020 5:06 PM
84	Need street lights	1/14/2020 4:55 PM
85	Larson Rd is generally safe...there needs to be speed limit signs as people go WAY to fast and there are children, deer, curves, etc.	1/14/2020 4:48 PM
86	Live on Melody Lane. While my neighborhood is safe to walk and bike, king road is not. There isn't a shoulder to travel on for pedestrians.	1/14/2020 4:12 PM
87	Cars drive too fast on our street (in City)	1/14/2020 3:30 PM
88	I live off of timber drive ... in my opinion that is too busy of a thoroughfare to allow parking on both sides of the street, there is no curb, gutter or sidewalk. I did express my concerns with photos to my aldermen, Mr Berrens called me personally to tell me his opinion.... he feels it's fine and needed no action. He does not live in this neighborhood so does not see the potential for mishap. I proposed to allow parking on only one side of the road sand more police presence to enforce speed limit, especially during men's softball season. We need to be proactive and not reactive. It's also terrible at Halloween...	1/14/2020 3:26 PM
89	I reside at 545 Timber Dr. my biggest concern is the high rate of speed cars travel on this road I never let my kids play in the front And uneasy about allowing them to walk to the park	1/14/2020 3:20 PM
90	I feel safe living in Waupaca.	1/14/2020 2:59 PM
91	New to area, so haven't met a lot of neighbors yet.	1/14/2020 1:41 PM
92	For a more vibrant downtown, Downtown apartments need to be updated and try to get a little higher standard of living instead of some of the living conditions and clientele that are here now.	1/14/2020 12:35 PM
93	We cannot access high speed Internet, and we only live 1 mile from the city limit! Also, Highway E is a dangerous road to walk or bike on, and is the only access we have to other roads.	1/14/2020 10:40 AM
94	We live on Bartlett st. While our neighborhood is ok we do live next to a home with a hoarding situation going on. We are on the back side of Ware street and definitely avoid that street when out for walks. It just seems like home in our area are not taken care of and there are a lot drug issues.	1/14/2020 9:54 AM
95	Our focus for now with the community is to fortify the economic development potential of the Downtown Historic District. Currently most "B7" zoned properties are in a flood zone. Thankfully there is some work being accomplished here already. Also, the need to expand the B7 district. (why only the riverfront for example) Facade grants, tax deferment on certain improvements, etc.	1/14/2020 9:50 AM
96	The parks and riverfront should be upgrades with an ecological approach.	1/14/2020 9:40 AM
97	Lots of sidewalks to nowhere Speeding traffic on south Washington —> has to be at least over 40 mph No one stopping on west union and cross traffic does not stop. Hearing car horns all the time Cannot walk the half of town near the foundry alone or at night	1/14/2020 9:21 AM
98	It would be nice if neighborhoods without sidewalks had a "lane" for walking or biking	1/14/2020 8:50 AM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

99	Street lights removed reduces safe feeling. 25mph speed limit not enforced adequately, vehicles 35+mph way too often for walk/bike safety	1/14/2020 12:08 AM
100	I wish there were side walks and more street lights.	1/13/2020 8:39 PM
101	Embarrassing to own a business on Oborn Street. Neighbor keeps monster trucks in front yard and customers comment on them. They sit and rev the engines and don't belong in the city.	1/13/2020 7:11 PM
102	I would like to see more bike lanes on busy roads throughout the city, especially Main and Fulton Streets.	1/13/2020 4:29 PM

#	RESPONSES	DATE
1	Traffic codes/ordinances enforced; speeding, noise, stop lights/signs	2/5/2020 10:07 AM
2	The paths should be kept clean in and out of Waupaca to High School	2/5/2020 10:01 AM
3	Why not try to develop a simple transit system, one or two buses that run the same route from Pick N Save to the Courthouse and a few stops and turns in between, then a route to King and the Veterans Home. So that people who don't drive can still get to work.	1/31/2020 3:44 PM
4	I own a car so this really does not apply to me	1/31/2020 8:44 AM
5	NA	1/30/2020 10:16 PM
6	NO SUGGESTIONS THANKS FOR THE SURVEY. SENDS A MESSAGE THAT YOU CARE. JIM KLISMET	1/30/2020 9:58 PM
7	I feel safe biking or walking in most places within the city.	1/30/2020 8:14 AM
8	Uber or Lyft would be helpful as we have no public transportation. Those companies offer service here but are in need of drivers. Maybe the city could help them find employees. There are probably people that would drive for them if they knew they were hiring	1/29/2020 9:02 PM
9	I wish we had a bus that we could take to the stores on the outskirts of town. Essential businesses increasingly are pushed to the edges and the downtown is full of boutiques... And that's fine. But I think we should have better public transit to get out there. I suppose all the delivery services will fill those needs, but ... a bus, even a small bus, would be nice. A bus to the clinic. To the dental clinic out by the Catholic church. To all the little mini-clinics on 54 West.... InstaCart can't go to the doctor for us. And I don't know why, exactly, but I just hate calling the cab.	1/29/2020 9:00 PM
10	The walking/bike path along Shadow Lake needs to be widened or at least some protection from drivers. Met cats multiple times head on when people cut the corners driving because there is not longer a rumble strip	1/29/2020 8:25 PM
11	People that live and work downtown shouldn't have to pay to park their car when there's so much unused parking available	1/29/2020 7:50 PM
12	N/A	1/27/2020 12:49 PM
13	More walkable trails that lead to major districts of the city, so people can safely walk to shop, etc.	1/26/2020 6:23 PM
14	Feed the need, not the trend. Bike infrastructure is hip but in many areas of rural WI towns it's still not yet practical. Stevens Point has become a divided city over the bike lane fight. Learn from their Council's missteps.	1/25/2020 9:22 PM
15	A 'public' transportation system in Waupaca would be a wonderful addition, but I worry what would suffer for the furtherance of that addition.	1/25/2020 9:08 PM
16	There is no public transportation... except for if you include the Waupaca Taxi service. As for the bike lanes I think that on most city streets there isn't enough traffic to warrant having them and downtown there just isn't room. The parking is a joke especially on the side of the library and behind it.... its just too tight the time and money that went into that was a waste of taxpayers money.	1/25/2020 6:50 PM
17	Uber needed	1/25/2020 11:40 AM
18	Downtown needs to have plenty of free parking, benches and be easily walkable.	1/25/2020 8:39 AM
19	Sidewalk needed on King road from High school to King!!!! Especially since the soccer fields are filled in summer also KING to Kwik trip on QQ ! Too many walkers that may get hit.	1/24/2020 8:43 PM

21	Need to change the street light timers on Fulton street. Sitting at red lights with no traffic happens often near goodwill and Kmart.	1/24/2020 3:49 PM
22	We have bigger problems than bicycle trails. Biggest transportation problem is snow, poor storm sewer drainage and difficulty in finding help with snow removal.	1/24/2020 10:02 AM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

23	I like to walk and bike and feel relatively safe doing those activities in town. As Waupaca considers upgrading roads I think separate walking / bike trails or lanes are a good thing as we do have many bikers and walkers in our city.	1/24/2020 9:46 AM
24	IMO if the City wants a shot at attracting younger people to reside in our community, improvements & upgrades need to be made in terms of Waupaca being a more health conscious and active community. The City also needs to make our community more attractive to businesses looking to locate, relocate and/or expand. We'll need a younger population to recover from the loss of our retirement population as they age and eventually expire.	1/24/2020 9:23 AM
25	There is no public transit. That's a problem.	1/24/2020 5:07 AM
26	It would be nice to have more trails that connect the town's to the city to encourage and promote exercise. Currently I often have to walk small stretches on Hwy E to circle our subdivision and many drivers do not know the etiquette of slowing and/or moving into the other lane.	1/23/2020 9:10 PM
27	Before fixing the transportation issues how about fixing more pressing problems? Such as Taxes, Drugs, too many ordinances restricting what homeowners can do. Lack of new development, Kmart and Shopko sit empty.	1/23/2020 8:49 PM
28	Consider bike trails along county roads & to state park to attract people to the area.	1/23/2020 6:24 PM
29	Currently I have a vehicle, so i don't often need public transportation. More 'safe' ride options would be nice along with a campaign to use them.	1/23/2020 5:42 PM
30	it would be nice to see a trolley set up to do stops at specific points at specific times.. Could run it all year long, and could have two, one could do historic tours around town in the summer and fall for a fee, and the other could offer transportation for a small fee.	1/23/2020 5:19 PM
31	Roads currently need upkeep/repairs	1/23/2020 4:41 PM
32	Local taxi service is unreliable as a transportation source.	1/23/2020 1:38 PM
33	Bike lanes for Fulton and Main streets would be nice.	1/23/2020 1:29 PM
34	Roads need repairs	1/23/2020 1:28 PM
35	Moved out of New London because there was no taxi service.	1/23/2020 1:09 PM
36	I like the progress I've seen recently; lights at intersections, roundabouts. I love the artsy vibe of the downtown!	1/23/2020 12:56 PM
37	People ride bikes in this community, because they have no other modes of transportation. Seeing commuters on 22 is death defying. People need to know that while it may take a little longer, there's routes to the city that do not include 22.	1/23/2020 12:42 PM
38	As a runner, I see a need for more trails for running on all sides of town.	1/23/2020 12:25 PM
39	There should be EV charging downtown or at least EV only parking.	1/23/2020 11:48 AM
40	Downtown Main Street should be no cars. Parking garage at the city lot would be more proper. Main Street should have a boulevard down the middle and a lane going each way for biking and walking.	1/23/2020 11:47 AM
41	What 'public transit'??	1/23/2020 11:38 AM
42	City Cab service is awful and the managing company and certain dispatch treats the drivers and customers terribly.	1/23/2020 11:04 AM
43	Since moving into the city of Waupaca it has always seemed strange to me that we ban unpermitted overnight parking on all streets year round.	1/23/2020 11:01 AM
44	Bikes & Traffic don't mix and are a recipe for accidents. You can't turn Right without crossing a bike lane. Older drivers are not used to that and people will get hurt. Use OFF ROAD bike trails. Don't try to mix them with traffic	1/23/2020 10:52 AM
45	More trails from outside of town, as well as by Swan Park or the airport to downtown. Be able to walk or bike into the downtown without being on a busy road.	1/22/2020 10:06 AM
46	The lack of public transportation is an issue for those living in poverty.	1/22/2020 9:18 AM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

47	Too few taxi services that are limited to hours during the day/night. Would be nice to have a shuttle to the chain o lakes from downtown	1/21/2020 12:50 PM
48	I don't think you can ever have too many bike and pedestrian trails. Roads are fine, except downtown Fulton St (new part) and library.	1/18/2020 11:24 AM
49	We need better parking downtown, including a reconfiguration of the new lot behind the library.	1/17/2020 3:50 PM
50	Waupaca's parks are great, and I know we have Hartmann's Creek nearby but I think it would be great to have more trails for hiking that are longer than a mile or two loops.	1/17/2020 2:06 PM
51	Main St is very congested with traffic and pedestrians	1/17/2020 8:30 AM
52	I highly agree we need more trails.	1/16/2020 5:53 PM
53	Would be interested in starting a conversation on turning the area in front of historical society and new chamber office into angle parking.	1/16/2020 4:56 PM
54	Many low income or one vehicle families could use low cost public transportation.	1/16/2020 2:13 PM
55	I love bijing with my granddaughter but in the summer the safest place to ride is on the side walk which is not what bikes are suppose to do. Tourist are also looking for trails and street friendly biking.	1/16/2020 12:04 PM
56	A need for family-friendly places where you don't have to worry about expletives being blurted out over the stereo systems. Yes, I've heard some nasty stuff at the Rec on numerous occasions.	1/16/2020 8:12 AM
57	Would be great to have uber and Lyft available. The only late transportation is R and R which can be unreliable.	1/16/2020 7:40 AM
58	Public transportation is a good thing but isn't necessarily applicable to the city of Waupaca as there is no connecting transportation to other cities so becomes less important within an out city.	1/16/2020 7:39 AM
59	I noticed in the area of pleasant st and north st area there are lot of intersections that have no signs for right of way (no stop signs, arrows for 90 degree turns or t in the road, dead ends, ect) numerous semis get stuck at the corner of Franklin and Pleasant.	1/15/2020 10:27 PM
60	I love the WAU-KING trail and I wish there were walking or running trails in my neighborhood (Dayton).	1/15/2020 8:39 PM
61	I bicycle a lot and feel the roadways are safe. Of course I'd love any improvements for bicyclists. County E before the new bike lane can be scary, though.	1/15/2020 7:00 PM
62	Many of the main roads in Waupaca are not easily bike-able (Fulton, Royaltown, Churchill as examples). Too busy.	1/15/2020 2:44 PM
63	none	1/15/2020 11:33 AM
64	It would be nice to see many city sidewalks updated to be wide enough for people to walk next to each other. As a parent of young children, I have walked many of the city's sidewalks with babies/toddlers in strollers and there is barely enough room for 1 other person to walk next to me. Going out with a friend who has a stroller as well, is next to impossible on most sidewalks.	1/15/2020 10:45 AM
65	Fulton Street could use some serious attention.	1/15/2020 10:42 AM
66	It would be great to have safer, more accessible walking and biking lanes/trails.	1/15/2020 10:10 AM
67	There needs to be a light or roundabout at 22 & QQ	1/15/2020 6:15 AM
68	Additional school busing. We currently transport or children to and from school as the bus ride home would be 70-80 minutes after school and pick up at 645am. That is unacceptable.	1/15/2020 5:55 AM
69	Waupaca Taxi is very limited for timely rides. Have witnesses elderly people waiting 30 to50 minutes fro rides Fromm businesses to there homes.	1/14/2020 7:50 PM
70	I need transport I can rely on during the hours between 3 am to 6 am. The Waupaca taxi doesn't start running until like 630 am and RR Transport is really expensive	1/14/2020 6:26 PM
71	Bike lanes take up too much space. Fix the streets downtown- they are terrible.	1/14/2020 5:48 PM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

72	Lack of public transportation is a problem	1/14/2020 4:55 PM
73	By adding trails and paths for bikes, it may attract younger families to move to waupaca	1/14/2020 4:12 PM
74	I have reliable transportation but many do not and we are a rural area which makes it hard for those without transportation to get to where they need to go. Those in town might not be able to walk to places and can't afford taxi rides daily. Plus there is no place to buy clothing, shoes, etc	1/14/2020 3:41 PM
75	I asked the police officer the other day after many tickets for parking on the road in front of my house as I have a very small driveway he stated it is to keep crime down from vehicle break-ins it seems why should a tax paying individual suffer and not be allowed to park in front of his home because some thugs are out there breaking into cars perhaps they should hire more police officers to monitor better not to punish tax paying citizens	1/14/2020 3:20 PM
76	own my own car. Living on Royalton St. on a 4 lane hwy it would be nice to have a bike lane	1/14/2020 2:01 PM
77	I like the trolley idea (chain to main street) and I like the idea of it running until bar time	1/14/2020 1:42 PM
78	Not aware of public transit options. Again, new to the area.	1/14/2020 1:41 PM
79	I would love to see bike Lanes on Harrison between Fulton and Timber as well as sidewalks in that same stretch. My kids want to be able to bike to the library, I'd like to be able to bike to downtown seasonally and having to take an indirect route to avoid Harrison really makes it less appealing.	1/14/2020 11:38 AM
80	It would be nice to see a safe ride program in Waupaca. I think it would really help.	1/14/2020 9:54 AM
81	Shuttle service for retail shopping for Waupaca, King and In-between. (Trolley style bus?) Uber?	1/14/2020 9:50 AM
82	Waupaca also needs to have a trolley which goes from the Train Depot ... down Main and to the King/Chain o' Lakes. Perhaps the High School also.	1/14/2020 9:40 AM
83	Bikers are regularly yelled at and told to be on the sidewalk which is not where they are supposed to be. Ignorance fills this town.	1/14/2020 9:21 AM
84	Road conditions are destroying vehicle suspension systems!!!	1/14/2020 12:08 AM
85	Shuttle services to and from sporting events and after school activities even for those in elementary	1/13/2020 8:39 PM
86	More areas need to be walkable as well. Near brainerd bridge park it can be dangerous walking with speeding traffic.	1/13/2020 7:21 PM
87	The only public transit the city has is taxi.	1/13/2020 6:49 PM
88	King Road, county QQ, streets around Swan Park - could all use bike lanes	1/13/2020 6:04 PM
89	The traffic lights on Fulton Street unnecessarily slow down traffic. With Kmart going out of business, the traffic lights for those intersections need to be adjusted or removed.	1/13/2020 4:29 PM
90	Parking by library is horrible	1/13/2020 3:11 PM
91	The main streets in the city (Royalton, Fulton, Churchill, etc) are not very bike friendly.	1/13/2020 2:13 PM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

#	PLEASE SHARE ANY OTHER COMMENTS ON THE IMPORTANCE OR QUALITY OF CITY SERVICES.	DATE
1	If you want to keep residents/businesses you have to provide quality services. If you want to attract new residents/businesses you must provide quality city services.	2/5/2020 10:13 AM
2	I understand that the city removed nearly 100 street lights a few years ago, without consulting with the people who live in the city of Waupaca. That was an insult, and highly disrespectful. I believe that the addition or reintroduction of the proper amount of street lights would portray this city as welcoming and caring about it's residents. Maybe neighbors would venture out of their homes after sundown and talk to each other. Maybe if the downtown had activities after 5PM, people would not feel so disconnected and might stop using and dealing drugs. Please!	1/31/2020 3:53 PM
3	As I deal with many areas of the city, the vast majority of the staff has been excellent to work with. Except the zoning and code department when a issue came up and we questioned it they kept changing it until they found a problem which wasn't close to the initial problem and this has been going on a year now with still no resolution as to how we are going to work together in the future it was just swept under a rug.	1/31/2020 2:14 PM
4	Library!! Excellent quality and super important.	1/30/2020 10:26 PM
5	* Land Use, Planning, and Zoning Services - Too strict. Need to be more willing to work with property owners. There are rules in place for a reason, but sometimes those need to be bent for the greater good of our community. *Police Services - I do not feel there is enough Police presence. *Street Maintenance and Repair - Many of the city street need improving. I know there is plans for some of these streets and I hope it continues after the main street project. I do understand there are budgets to follow and it takes time. Having nice and well maintained streets make it more welcoming, looks nice and easier to keep clear during winter months.	1/30/2020 8:40 AM
6	All of these services are extremely important. Its also important to have high quality staff members working in these areas who are well educated, professional, ethical, competent and pleasant to work with. Unfortunately, the City has not always employed professional, ethical or positive people in critical positions of authority and has kept them in those positions for long years at a time, allowing problematic people to cause much harm and retire in good standing with full retirement benefits on the public dime. The City has been extremely slow and often hostile to reports of poor city employee conduct. This does a disservice to city residents who pay their salaries but also to the positive and professional employees within the city who have to work with said individuals. It seems as though new leadership wants to change this trend. As taxpayers we hope so and we hope the community realizes it cannot afford to lose the engagement of positive citizens who choose to leave or disconnect in response to such negativity. As for the question of quality of experience with city staff members, it has been mixed between highly professional and highly unprofessional.	1/30/2020 4:32 AM
7	need more street repairs	1/30/2020 2:38 AM
8	The trails in the parks lack upkeep. The barberry near the trail from riverside park to the wlc needs to be taken care of. Without herbicides. We do not need herbicide run off in the river.	1/29/2020 11:37 PM
9	Snow plowing and salting of the roads is very poor quality for the taxes we pay . No reason that our residential street is not plowed before the school bus comes through. Plow drivers leave way too much snow in the road and have buried my mailbox dozens of times	1/29/2020 9:08 PM
10	Being able to trust and believe that we all have the common goal of a better than average community. I think there was a less than desirable good old boy mentality and not always working for the greater good.	1/27/2020 1:06 PM
11	The fire department could cut back a little on training exercises.	1/26/2020 10:04 PM

13	Feel like we have an adundance of city workers	1/26/2020 5:57 PM
14	Green space and parks are incredibly important for recruiting and retaining young professionals. It's a solid investment. Why not manage snow removal for the downtown district through a special tax? Everyone is focused on Fulton over Kmart and Shopko. Understandable. But the 22 corridor has great potential and should not be overlooked	1/25/2020 9:43 PM
15	In the last few years the quality of how the city officials conduct business and the job that they are doing has been beyond disappointing to me and my husband.... so much so that we will not	1/25/2020 7:02 PM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

purchase another property in the city of waupaca nor will we invest in any more business ventures here. We as residents of Waupaca as well as business owners are actually nervous about the future for waupaca. It seems like as more time goes on the more downhill it goes. We keep seeing more businesses leaving or having to fight with the city.

16	Medical and police services are the most important. I think a better job could be done on getting more stores and restaurants to come to our town. We are a tourist town and they wont come if they have no where to shop for supplies or restaurants to eat in.	1/25/2020 9:15 AM
17	I think the city needs to relook at their ambulance services we need to have our own instead of relying on gold Cross there have been times where an ambulance has been called and gold crosses out and busy and now you have to wait for iola to come in or manawa to bring in their own ambulance we need to have our own ambulance	1/25/2020 6:39 AM
18	Roads should be plowed and salt laid down. Not sand and dirt! What a mess!	1/24/2020 8:54 PM
19	Too much money is spent on just a few roads and too much of that spent money is for frills. Waupaca needs to spend money on smaller residential roads.	1/24/2020 6:10 PM
20	Essential services need to move back to the top of the priority list.	1/24/2020 2:32 PM
21	Too often standing water, not draining through sewers adequately. Wasted too much money on planning library "parking lot" and made parking 10 times worse.	1/24/2020 10:17 AM
22	Enforcement of Property Maintenance/Nuisance Codes is a joke. I don't feel that these are enforced. There are numerous homes that are run down, have junk, cars, etc in their yards. Aren't these violations? Nothing done.	1/23/2020 11:25 PM
23	Fix our infrastructure, stop worrying if someone has a chicken in their yard, their lawn is not mowed in a timely fashion or their sidewalks or driveway are not shoveled instantly. Be a good neighbor and maybe help them shovel snow or mow their lawn. Maybe they have health issues or their lawnmower is broken. Instead of punishing someone maybe be a decent human being and instead offer to help them.	1/23/2020 9:04 PM
24	I wish the senior center had classes open to the public so there was more multigenerational options available.	1/23/2020 8:23 PM
25	We should look at small town models that have successful growth patterns and what they have done to succeed?	1/23/2020 7:14 PM
26	The city workers do a good job but our downtown needs some major upgrades. I also don't feel our community is as safe as it should be.	1/23/2020 6:58 PM
27	For the size of our city we think the city services are great.	1/23/2020 4:51 PM
28	Wish there was a refuse and recycling pick up by the city. With our high taxes, we shouldn't have to privately contract these services.	1/23/2020 1:54 PM
29	Rated the following "fair" because: Nuisance codes - not proactive and no real follow up actions taken against homeowners with these issues. Land use, planning, and zoning - difficult to work with and resolve "non standard" code issues, unclear expectations. Street maintenance and repair - side street potholes and sidewalk maintenance.	1/23/2020 1:49 PM
30	We have many beautiful parks that aren't utilized to their potential. South Park should have more family friendly events such as christmas light fundraiser, the beach lake needs help, kids/teenager sports and mud runs in summer. Bands playing on main street or south park (not the city band) something for families or younger people to do on weekends in the summer.	1/23/2020 1:34 PM
31	If we don't have at least a couple good box stores, we are going to lose more restaurants and more stores in Waupaca...	1/23/2020 1:20 PM
32	DHHS??	1/23/2020 12:51 PM
33	Great city but we could do so much more.	1/23/2020 11:54 AM
34	The ambulance service is highly lacking.	1/23/2020 11:37 AM
35	I would like to see a farmer's market area with more than just a couple venders at it selling the same things. With a big enough spot it could be combined for a spot for flea market. There is a "vacant" lot on QQ across from the church I feel would be a great place for this	1/23/2020 11:13 AM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

36	Quit with the restrictive zoning & planning. You drive investors away and the use of privately owned land is none of your business. Let RUBYS store food where they like is a good example of you getting in your own way and hurting the citizens.	1/23/2020 10:57 AM
37	Why would library services not me included on this list when tax dollars go toward it? The library is Waupaca is recognized nationally and is a benchmark for youth and teen services. Quality is Excellent and Importance is Very important because they provide vital services to citizens at no cost (like applying for unemployment benefits, helping people find jobs, continued education opportunities for professionals and seniors, etc.	1/22/2020 10:48 AM
38	The zoning office and City Hall staff could be more welcoming to customers. Customer service training needed.	1/22/2020 9:23 AM
39	there are some streets that have had major potholes for as long as I can remember and nothing seems to be done about them...or they get filled with something only to be washed away in the next storm	1/21/2020 3:41 PM
40	The city streets need some attention. There are ones that have been lacking for years yet our elected officials are trying to spend more unnecessary money to "beautify" the downtown. People sink in a pothole on Fulton and other areas and have major damage to vehicles and it doesn't seem to be a priority. If we want to represent our community, especially to tourists, we should look at the whole picture, not just downtown,	1/21/2020 2:07 PM
41	We need a soccer complex or bathroom/concessions at the fields off of king road.	1/19/2020 9:18 PM
42	We need our own garbage and recycling service in Waupaca. I've never heard of any other city where residents have to find their own. It's hard to remember when your service goes because everyone around you has different days.	1/18/2020 11:37 AM
43	Plowing outside of town isn't great	1/16/2020 5:59 PM
44	land use, planning and zoning is greatly improving with the the Higher of Aaron	1/16/2020 8:37 AM
45	I feel the City of Waupaca does a great job with its existing services with a lot of dedicated people in lot of key positions. I also feel Waupaca needs to be very proactive and creative with new potential businesses and even existing businesses that want to expand. All options need to be entertained and assist people thru this process. Hurdles need to be overcome in a reasonable amount of time with realistic expectations.	1/16/2020 8:35 AM
46	Many in the city are very pleasant to work with and we have had excellent experience with. Rhonda Rollins would be the exception as she is very difficult to work with. Also the code enforcement officer is an unnecessary position in a town of this size. An additional police officer would have been a much better use of the resources.	1/16/2020 7:53 AM
47	Roads could use some attention. They can be very rough to drive (potholes, patchwork,ect) but we live in WI, it's hard to keep up anywhere in the state. I think they do their best with what they have.	1/15/2020 10:42 PM
48	Ambulance services are grossly inadequate. Response team at times is embarrassing and DANGEROUS! Waupaca needs at least 2 units at all times.	1/15/2020 9:00 PM
49	City inspector is very difficult to work with and very unreasonable. Doesn't work with people to reach common goals, likes to pull authority.	1/15/2020 7:37 PM
50	I would like to see the city be involved in cleaning out all the fallen trees in the Waupaca River. I understand DNR promotes trees to remain for the sake of fish habit, but do so neglecting the mandate to keep waterways navigable. Our summer Kayaking is important to our businesses and tax base but if the river is chocked full of fallen trees word will get out to find somewhere else that is easier to navigate	1/15/2020 10:50 AM
51	More focus on improving land use, zoning for the future. More focus on street upkeep.	1/15/2020 8:57 AM
52	Seems my water bill is always the same no matter how much or little I use and very expensive. The snow plows are plowing parking lots at 4am instead of doing roads first. Very disruptive for sleep and early morning transportation.	1/14/2020 3:47 PM
53	Senior building- inadequate parking, odd layout with the remodel Stated early streets need repairs, 4 way stop on school street needs right turn lane ... the line gets up to 25 cars and gets congested as no turn lane onto State Street. Community center- was told I cannot rent gym after 5, need more options for working people	1/14/2020 3:37 PM

City of Waupaca 2020-2030 Comprehensive Plan and Citizen Feedback Survey

54	Tax dollars for City Services is put to good use. The overall general aesthetics could be improved. The Main Street Project needs to move along faster. More money should be invested in recruiting new industries and businesses.	1/14/2020 9:49 AM
55	Parked/unmoving vehicles should not need continued registration as people work on them and they don't leave their property City permits are a joke and clearly all about the money Fire department is a boys club Gold cross is a money hungry company with no concern for community	1/14/2020 9:27 AM
56	These all are very important and there likely will never be enough money to bring all to excellent quality without boosting the local work force with additional manufacturing or bringing in high technology type jobs. Plenty of room where Kmart was for a nice tech business building that can host multiple Tennant's.	1/14/2020 12:22 AM
57	Many communities offer more services for less taxes.	1/13/2020 8:21 PM
58	The library is also a very important city service that provides high quality service to residents.	1/13/2020 6:09 PM
59	Street repairs in overall condition is very poor throughout the city. Snow removal services are generally very good.	1/13/2020 4:44 PM
