## PRESS RELEASE

---

### WAUPACA'S JULY 4 PARADE & FIREWORKS CANCELLED

**WAUPACA, WI:** After consulting with local authorities, we are sorry to announce that we will not be holding the Waupaca Area July 4th Parade or the Fireworks over Shadow Lake.

These events were slated to take place Saturday, July 4, 2020.

Though these are difficult decisions to make, we feel it is the safest and most practical choice at this time.

We look forward to bringing these events back in 2021 and wish you all a safe and healthy summer. Remember there are a lot of great things to see and do in the Waupaca Chain O'Lakes area. If you need ideas stop in or call.

In an effort to keep our community businesses and member investors informed on matters involving the corona-virus, we will continue to provide up-to-date, relevant information on our webpage:
