

NOVEMBER 2020

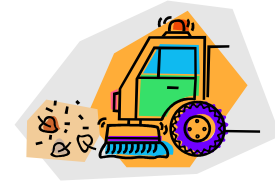

2020 Fall Leaf Pickup Schedule

The following schedule has been setup to provide fall leaf pickup for residents of the City of Waupaca:

Ward 5 & 10	Week of October 19th
Ward 4 & 6	Week of October 26th
Ward 2, 7, 11, 12 & 13	Week of November 2nd
Ward 3 & 9	Week of November 9th
Ward 1 & 8	Week of November 16th

After this schedule is done-we will start from the beginning again and go thru the City in the same order, until done. Please comply with the following requirements:

- **DO NOT** include sticks, twigs or branches
- **DO NOT** bag your leaves
- **KEEP LEAVES IN TERRACE AREAS OR ON GRASSY AREAS. NOT IN THE ROADWAY!**
- Absolutely NO BRUSH of ANY SORT

Please have your leaves on the curb or edge of yard on or before the Monday morning of your respective week. Crews will begin early in the morning creating some noise. To learn which ward you are in, visit our website at www.cityofwaupaca.org.

Your cooperation and patience with us as we deliver this public service is greatly appreciated. Feel free to call Roger Hansen (258-4421) or Justin Berrens (258-4420) of the Waupaca Public Works Department if you should have any questions.

Thanksgiving Hours:

City Hall Offices, Park and Recreation Office and Senior Center will be closed on Thursday, November 26th and Friday, November 27th.

The Waupaca Area Public Library will be closed on Thursday, November 26th and Friday, November 27th.

The Waupaca Area Public Library will be open for current service levels and regular hours on Saturday, November 28th.

The Recreation Center will be open on Saturday, November 28th from 1:00 pm-6:00 pm and Sunday, November 29th from 1:00 pm -5:00 pm.

The Youth Center will be open on Friday, November 27th from 4:00 pm to 11:00 pm and Saturday, November 29th from 6:00 pm. - 11:00 pm.

Prevent Freezing Pipes

Look for typical problem areas: Check unheated basements regularly. Look for pipes near broken or open windows. Look at pipes near foundation walls or near cracks in the foundation. Identify exposed pipes outside your home.

Freezing pipes can be detected by: Unusually cold water temps (less than 35° F). Unusually low water flow/pressure. Discolored water at fixtures. Sputtering sound when first running water.

Frozen pipes can be thawed: It is safest to use hot air from a hair dryer, exhaust from a vacuum cleaner, or an appropriate space heater. Heat tape can also be used but be careful to follow manufacturer's instructions. Never thaw with an open flame.

Other prevention tips include: Shutting off and draining outside faucets. Run small amounts of water from the highest faucet in the building. Insulate walls near exposed piping. Repair cold air leaks and reduce drafts.

Leaving home for a significant amount of time: Shut off water at the main shut off near the meter and drain your home plumbing.

Be prepared for the worst: If pipes do freeze, be careful of cracked pipes that can spray water or bust. Ensure basement drains are clear. Know where the main shut-off valve is located to shut off water.

If you need additional information or assistance, please contact the City of Waupaca Water Utility at: (715) 258-4423.

Help Shape the Future of Waupaca Community Media

The City of Waupaca is looking for feedback regarding our community media function. This includes Win-TV, Waupaca Radio, our city website, our Facebook page and more. We have a short survey to help guide us on how to best get information to you. Please take a few minutes to give your feedback!
