

Under the new order I wanted to let you know that the Waupaca Senior Center will remain open. The order requires us to restrict capacity to 25%. I am happy to report that this doesn't change much for the senior center classes as we were already following these guidelines for most of our programs. Please see the capacity restrictions below for the time period of Thursday, October 8th-November 6th:

Blue Gym: 20 (we can have up to 52 but we are keeping it at 20)

Augie Austin: 20 (we can have up to 60 but are keeping it at 20 except for Jamba because Kathy will be on the stage)

Rec. Lobby: 9 (knitters will move to this location)

Exercise Room: 15

Stage: 11 (only instructors will use at this time)

Senior Center Main Area: 10 (TOPS will move to this area)

Craft & Card Room: 3 (These Rooms will be closed as of Oct. 8th)

Computer Lab: 4 (one person per row during the day), NO NIGHT CLASSES
