2021 CITY WIDE SPRING
LEAF AND BRUSH PICKUP
THROUGHOUT THE MONTH OF APRIL

PLACE ITEMS ON THE TERRACE AREA

The city of Waupaca will remove leaves and brush that have been placed by residents on the terrace area throughout the month of April. This pickup is intended for the disposal of leaves, limbs and branches that are generated by the property owner from normal yard maintenance and upkeep. This service is not intended for tree removal, lot clearing or the removal of bushes, whether performed by a contractor or property owner. City crews will not collect materials produced by private contractors or trees cut down by property owners. Absolutely no garbage, appliances, furniture, tires, etc.

Note the following guidelines:

- *Leaves and brush shall not be deposited on the street or roadway.
- *Leaves shall be in clear garbage bags, not to exceed 35 pounds & tied.
- *Brush shall be tied in bundles with twine (Do Not Use Wire).
- *Limbs and branches shall not exceed 3 inches in diameter and shall not be longer than 5 feet.
- *No attached or unattached tree stumps or tree root systems will be collected.
- *Any item not in compliance will not be collected by the City & will be left on the terrace area for the resident to remove.

You can take your leaves and brush to the Recycling Center during the hours listed below if you would like your leaves and brush cleaned up before they are able to get there.

The City of Waupaca is planning to provide garbage and recycling pickup starting in 2022. The plan would be to contract with one of the private regional waste haulers to provide weekly garbage and bi-monthly recycling pickups.

Why did we determine this?

- 1) A majority of city of Residents will save more than \$30 per month for this service.
- 2) A survey found that 90% of respondents were in favor of City providing this service
- 3) Many neighboring communities provide this same service.
- 4) The routine service and convenience should reduce trash in parks, roadways, lakes and streams.
- 5) Convenient recycling bins promote sustainability and reduce material to landfills.

What are the details?

- 1) Each single-family resident will be provided the service.
- 2) Multi residential up to 4 units will be provided the service.
- 3) Garbage pickup will occur weekly, recycling pickup every-other week.
- 4) 96 gallon tote for each garbage and recycling will be provided.
- 5) The monthly service cost will be included on water/sewer bills, which is expected to be \$10 or less per month.

What you should do as a City of Waupaca resident?

- 1) Visit the City of Waupaca website <https://www.cityofwaupaca.org/resident-services/garbage/> for more information.
- 2) A presentation to the Common Council is planned for May 18, 2021.
