PLEASE HELP US CONTROL NOXIOUS WEEDS AND UNCUT GRASS

Chapter 10.03 of the Waupaca Code of Ordinances requires property owners in the City to keep up their lots by controlling and cutting noxious weeds and high, uncut grass. Noxious weeds in our area typically are Canadian Thistle, Leafy Spurge and Field Bindweed (Creeping Jenny).

All grass over 12" in length must be cut.

The City Building and Zoning Department is charged with enforcing this ordinance. The process they will use consists of placing a red door hanger on your house or business entrance. This hanger is a WARNING only and tells you that the city is monitoring your property. Vacant property owners will be notified by mail. We typically give the owner about 7 days to correct the situation. If the property owner does not take care of it, then the City will cut the grass or will hire a private contractor to do the work. The owner will be billed based on our costs, plus an additional administrative charge. If the bill is not paid in a timely manner the charge will be placed on the tax bill as a lien against the property. Please do your part in helping us keep our City looking great, thanks.

May's Member of the Month is...the Waupaca Historical Society!

The Waupaca Historical Society maintains four historic buildings—the Holly History and Genealogy Center (the former library), the Hutchinson House Museum and King Cottage in South Park, and the Waupaca Depot on Oak Street.

Come visit us at the Depot (525 Oak Street) on Sat., June 19th from 8 a.m. to 7 p.m. and Sun., June 20th from 8 a.m. to 5 p.m. during Strawberry Fest and the Waupaca Area Model Railroaders show.

Step back in time as WHS hosts "Lost Arts" at the Hutchinson House on Sat., June 25 from 10 a.m. to 4 p.m. The event will feature arts and crafts from the late 19th and early 20th centuries. Demonstrators will show how they are keeping these arts alive—from wood carving and spinning wool to basket-weaving, rug-hooking, and blacksmithing. Families can take part in family activities like weaving and quill writing, along with other interactive demonstrations. Visitors can also enjoy local band Flip o' the Coin as they play old-time music on the Hutchinson House porch! Tours through the historic home will be offered throughout the day, and food will be available.
