**THE CITY COUNCIL MEETS TWICE MONTHLY,
ON THE FIRST AND THIRD TUESDAY AT 6:00
P.M. IN THE COUNCIL CHAMBERS, CITY HALL,
111 S. MAIN STREET. SUBJECT TO CHANGE.**

WELCOME TO A MEETING OF THE CITY OF WAUPACA COMMON COUNCIL

A City Council Meeting is . . .

The process of making and amending laws, developing policies, and making decisions for governing your city by citizens who have been elected by you.

The Council . . .

The Council consists of a Mayor and ten Alderpersons, two from each of the five Aldermanic Districts. Each Alderperson represents the interest of his or her District and the city as a whole.

At the Organizational Meeting on the third Tuesday in April, the Alderpersons elect a Council President who acts in the absence of the Mayor.

The Council . . .

1. Adopts and amends the city ordinances.
2. Determines city policies and standards.
3. Determines how much money shall be spent and for what purpose.
4. Determines what city taxes shall be levied.
5. Approves contracts and agreements.
6. Represents the city.

The Agenda . . .

The Council follows a regular order of business for the conduct of its meetings. The agenda is prepared in advance and a department or committee usually has investigated the items on it, so the Council can have all available facts. Copies of the agenda are available in the City Clerk's office and on the city website. The deadline for agenda items is 12:00 noon on the Wednesday prior to all Board, Committee, Commission, and Council meetings.

Council Action . . .

Business presented to the Council is disposed of by one of the following actions:

ORDINANCES

An ordinance or amendment to an ordinance is a “Legislative Act” and requires two readings at separate Council meetings, after which it is adopted and published. Upon its publication, it becomes a law. An ordinance is the most binding and may be repealed or changed only by a subsequent ordinance.

RESOLUTIONS

A resolution may be passed expressing the policy of the Council or directing certain types of administrative action. It requires only one reading and may easily be changed by a subsequent resolution.

MOTIONS

A motion is ordinarily used to indicate majority approval of a procedural action such as to approve a report, a recommendation, or the expenditure of funds. It may also be used to authorize administrative officials to take certain actions. A motion usually authorizes the disposition of items of business on the agenda.

REFERRAL

When the Council is not prepared to take definite action or when further study is needed and when it is required to have a recommendation from a particular committee, board, or commission, the Council may refer the matter to a committee, board, commission, or an administrative official for investigation, study, and later report.
