

**RECORD OF DECISION
WITH REGARD TO CELL TOWER CONSTRUCTION
CITY OF WAUPACA**

The following questions need to be addressed by the City Council at the time of the Council making a decision regarding the application for the construction of a new cell tower. These requirements are found in Wis. Stats. Sec. 66.0404(2)(b). These questions may also be answered by the administration. Explanations should also be added to ones response for the record.

1. Was the identity of the applicant properly provided in the application? (page 88, etc.)

Yes or No

2. Did the application provide sufficient detail so that the Council could determine the location of the structure and related mobile service facilities? (page 95, 126, etc.)

Yes or No

3. Did the application contain a construction plan which describes the mobile service structure & associated elements that complies with all Building & Zoning Code requirements? (pg. 100-125)

Yes or No

4. Did the application provide an explanation as to the reasons behind the choice of the particular location? (page 81-85, etc.)

Yes or No

5. Did the applicant provide an explanation as to why collocation was not chosen? (page 81-85)

Yes or No

6. Did the applicant provide the Council with a sworn statement from an individual who has responsibility over the placement of the mobile service support structure attesting **one or more** of the following are sufficiently met:

- a. That collocation within the applicant's search ring would not result in the same mobile service functionality, coverage, and capacity (page 81-85)

Yes or No

- b. Is technically infeasible (page 81-85)

Yes or No

- c. Is economically burdensome to the mobile service provider. (page 81-85)

Yes or No
