## WAUPACA UTILITY ANNUAL FLUSHING PROGRAM

The Waupaca Water Utility's Annual Flushing Program will be done during the week of September 25 – 29, 2022 during the hours of 10:00 p.m. to 6:00 a.m., and October 3 – October 7, 2022 during the hours of 6:00 a.m. to 3:30 p.m. This flushing of the water mains will remove most of the natural minerals such as iron that are harmless, but will discolor the water. If you see our staff working in your area, use as little or, if possible, no water for one-half to three quarters of an hour to insure that the water has settled down and that the discoloration is not drawn into your home's water system. Should you find discoloration, stop using water, wait one-half to three quarters of an hour, then draw off the discolored water through the cold water only.

Your help and cooperation in this program will benefit all water consumers.

General Election is November 8, 2022. Voting at the Recreation Center, 407 School St, 7am to 8 pm.
